

AMAZING CREATIONS PRESCHOOL

ENROLLMENT FOR CHILDREN IN DIAPERS

Amazing Creations Preschool will accept enrollment for children starting at age 2 yrs old in diapers. Parents will need to provide all supplies including but not limited to diapers, wipes, lotions, powders and ointments (anything regarded as medicinal will need to have Physician approval per our Medication's Policy). Pull-ups will NOT be accepted except during nap time for children in transition. Children should arrive in a clean diaper and will be changed every two hours or as needed.

Following is the rate to be added to monthly tuition for non-toilet trained children:

A.M. only (hours between 8:30 and 12:45)
2-3 days \$75 per month
4-5 days \$100 per month

Full day (hours from 7:30 to pick-up after 12:45)
2-3 days \$125 per month
4-5 days \$150 per month

When the child is ready to be toilet trained (able to recognize and communicate that they need to go to the bathroom) and the parents have started toilet training at home, Amazing Creations will assist the toilet training process. Parents will need to provide a 'toilet' potty seat (one that will fit on top of the toilet) with the child's name prominently displayed. Children will be considered toilet trained after they have been in underwear for three consecutive weeks without any accidents (nap time excluded). Each child will be reviewed at the beginning of each month to determine if they have met the criteria for toilet training. Charges will apply at the beginning of any month for any child who has not successfully used the toilet without accidents for the previous three calendar weeks.

I have read, understand, and agree to abide by the above policies and fees for children in diapers and/or potty training. I understand that should I ever have any questions regarding the policies set forth, it is my responsibility to contact the Director for clarification.
